

Put the FIELD back in FIELD TRIP!

Attention Teachers & Group Leaders:

Thank you for your interest in bringing your class to the Pumpkin Patch at Crumland Farms.

- Admission is \$5 per person. Each paid field trip admission gets one small pumpkin.
- One teacher/group leader is FREE. Take a larger pumpkin back as our gift to you for your classroom.
- Allow 1-1/2- 2 hours for your visit, excluding travel time.
- Except for extreme weather, we welcome visitors rain or shine.
- Fall days mean cool mornings and warm afternoons. Encourage children to dress in layers...and closed shoes are best!
- Your visit includes a brief interactive lesson and a hay ride to the pumpkin patch. We also allow time for the children to run, jump, play and enjoy other free farm activities such as:
 - Feeding the animals in the mini-barnyard
 - Watching the goats on the overhead walkabout
 - Riding on the MooChoo Train
 - Taking a spin on a pedal cart
 - Leaping into a pile of soft, fresh hay
 - Slipping down the Giant Slide
 - Riding the Giant Tricycles
- Feel free to use the tables under our covered pavilions for snack time...or download one of our coloring sheets to reinforce our lessons.
- A visit to Crumland is more than just a fun field trip. It supplements your curriculum on natural resources by:
 - Identifying goods and services, and natural and human resources
 - Identifying natural resources in the production process
 - Providing examples of specialized work people do in a community
 - Explaining that organisms live in habitats that provide for their basic needs of food, water, air and shelter.
